All Creation

All creation is groaning, longing for release,
Waiting for redemption when the sons will be revealed,
And all creation will sing a new song.

Sing a new song.
Sing a new song to Yah, all the earth.
Sing a new song on the lyre.
Strum the guitar and blow the shofar.
Break forth in song.
Raise a shout to Yah, all the earth.
Sing a new song.

Sing a new song; sing a new song to Yah, all the earth.
Sing a new song, for he is coming to judge the world with perfect justice.
Let the oceans roar, the mountains sing for joy.
Oh, clap your hands, and sing a new song.

Victory he's won; deliverance has come to all the world.
Sing a new song.
Sing a new song.
Sing a new song.

His love he's made known, his faithfulness he's shown to all Yisrael.
Sing a new song.
Sing a new song.

Beauty of Holiness

Sing to YHWH the praises due His name.
In the beauty of holiness, we will sing to YHWH.
Sing to YHWH the praises due His name.
In the beauty of holiness, we will sing to YHWH.

Yours is the greatness, Yours is the power,
The glory forever and ever.
Riches and honor come from You.
You are exalted as head over all,
Yes, You reign over all, and all is Yours.
In Your hand is the power to make great.
You will strengthen the weak, exalt the meek,
And bless those who hunger and seek.
You will bless all who hunger and seek.

Praise YHWH! His loving kindness is sure.
Praise YHWH! His mercy will endure,
And the enemy's defeated when we lift up Your name.
We will sing to YHWH.

Praise YHWH! His loving kindness is sure.
Praise YHWH! His mercy will endure,
And the enemy's defeated when we lift up Your name.
We will sing to YHWH.

Sing to YHWH the praises due His name.
In the beauty of holiness, we will sing to YHWH.
Sing to YHWH the praises due His name.
In the beauty of holiness, we will sing to YHWH.

Day and Night – Revelation 4

Day and night and night and day, the living creatures give their praise
To Him who lives eternally; they never cease from saying,
“Holy, Holy is YHWH Almighty, worthy, worthy to receive all glory!
You created everything; by your will they came to be.”

Day and night and night and day, the skies proclaim Your majesty.
All creation resonates; the heavenlies are speaking,

“Holy, Holy is YHWH Almighty, worthy, worthy to receive all glory!
You created everything; by Your will they came to be.”

Day and night and night and day, Your power is sustaining me.
I’m held together by Your word. My every breath is saying,
“Holy, Holy is YHWH Almighty, worthy, worthy to receive all glory!
You created everything; by Your will they came to be.”

And there’s a halleluyah in the heavenlies.
Halleluyah on earth, we sing.
Let every living thing give You praise.

We give you praise!

“Holy, Holy is YHWH Almighty, worthy, worthy to receive all glory!
You created everything; by Your will they came to be.”

Dwell with Us

We're washing our robes in the blood of the Lamb,
Getting ready to go, to stand before You, at Your throne,
Day and night, to serve You forevermore.

A cloud by day and a flaming fire in the night,
A refuge and shelter from the rain and the storm,
You will cover us, and the sun will not strike us, anymore.
Dwell with us; we will not hunger, anymore.
Shepherd us; lead us to living waters.
Wipe away all the tears from our eyes.

You wipe away every tear from our eyes.
You satisfy all our desires.
Dwell with us; we will not hunger anymore.
Shepherd us, and lead us to living waters.
Cover us; the sun will not strike us anymore.

We're washing our robes in the blood of the lamb,
Getting ready to go, to stand before You at Your throne,
Day and night, to serve You forevermore.

First Love

Come, buy from me gold, gold refined in the fire.
I'll give you white robes, so you won't be ashamed,
Ointment for your eyes that you might see.

Return to your first love, and keep my works to the end.
He who overcomes will eat from the tree of life.
You will never leave the paradise of Yah.
Like a pillar in my house, you will stay with me.

Hold fast to my name. Let no one steal your crown.
I will surely come. My reward is with me.
He who overcomes will walk with me in white,
And I will give the crown of life, never ending life.

He who has ears let him hear, The spirit and the bride say, "Come."
He who has ears let him hear, He who overcomes will reign,
reign with me.

Behold, I'm drawing near; I'm standing at your door.
If you hear my voice, open unto me.
I will come to you. You will dine with me.
I will wash your feet, and you will be clean.

He who has ears let him hear, The spirit and the bride say, "Come."
He who has ears let him hear, The spirit and the bride say, "Come."

So, come, buy from me gold, gold refined in the fire.
I'll give you white robes, so you won't be ashamed,
Ointment for your eyes, that you might see.

Fountain of Life – Psalm 36

Your mercy, O Yah, reaches to the heavens.
Your faithfulness stretches to the skies.
Your righteousness is like the highest mountain;
Your justice, like the great deep.

The sons of man take refuge in the shadow of your wings.
They're satisfied, feasting on the fullness in your house.
You give them drink from the river of your pleasures.
You are the fountain;
You are the fountain;
You are the fountain of life.

How precious is Your kindness, O Yah.
You are the one preserving all living things.
In Your light, we see pure light.
You are the fountain;
You are the fountain;
You are the fountain of life.

You are the fountain (of life).
You give us drink from the river of Your pleasures.
In Your light, we see pure light.
You are the fountain;
You are the fountain;
You are the fountain of life.

His Fullness

To the Father of creation, I bow.
I am asking that you'd be strengthened with power,
That deep within your inner man His fullness would dwell
That the Anointed One would truly come to dwell in your heart.
He is able to fill you, for Messiah has come.

To the Father of creation, I bow.
I am asking that you'd be strengthened with power,
That you would know the heights, the depths,
How wide and how long,
Though your mind cannot comprehend
How great is His love.

He is able to fill you, exceedingly, abundantly,
Above all we could ask, according to the power that works in us.
He is able to fill you, for Messiah has come.

Deep within my inner man His fullness will dwell.
The Anointed One has truly come to dwell in my heart.
To Him be glory in his people,
Through the ages. Amein. Amein.

Isaiah 53

A tender plant, a root in a dry land,
No beauty or form that we should desire,
He was the man of sorrows, acquainted with grief,
Despised and rejected, we hid our face.
But surely, surely, he carried our sorrows.
Truly, he bore all our griefs,
Wounded and beaten for all our transgressions,
Pierced for iniquities.

We, all like sheep, have gone astray,
Each and every one has turned his own way.
On him was laid the sin of us all.
The offering was made, the travail of his soul.

But surely, surely, he carried our sickness.
Truly, he bore all our pain,
Wounded and beaten for all our transgressions,
Pierced for iniquities,
And by his stripes we are healed.
Many are made righteous and whole.
Many are made righteous and whole.

By his knowledge, My servant will justify the many.
Many are made righteous.
Halleluyah! Halleluyah!
We are made righteous and whole.

Love will Remain

Love is patient; love is kind; has no envy, no pride.
Love believes, always hopes, is not seeking its own.
Though I have the gift to speak, and understand all mysteries,
But have not love,
Though I give all I have away, throw my body to the flames,
But have not love, what have I gained?

Love is patient; love is kind; has no envy, no pride.
Love believes, always hopes, is not seeking its own.
Though I have the gift of faith, that even mountains will obey,
But have not love,
Though my knowledge may increase, the tongues of angels I may speak,
But have not love, what have I gained?

'Cause where there's tongues, they will cease,
We won't need someone to teach,
Prophecies will fade away.
When we finally see your face,
If there's no love, what have we gained?
Oh, let your love flow in me.

Love will remain when the heavens fade.
Love will remain beyond the grave.
Love will remain; love never fails.

Love is patient; love is kind, has no envy, no, no pride.

My Helper

I love you, Holy Spirit. My helper, my friend.
I love you, Holy Spirit. You're with me to the end.
You're the spirit of power, the spirit of love.
You counsel me with wisdom, wisdom from above.
Your peace is overwhelming, and your joy it overflows.
'Cause every day you fill me, my head down to my toes.
If I ever grieve you, let me feel your pain.
Lead me to repentance once again.

I love you, Holy Spirit. You're my helper, my friend,
Sent from the Father, you're with me to the end.
You satisfy my longings. You fill my deepest part.
You search my inner being. You leave nothing in the dark.
Remind me of the promise. Help me understand,
The ways of your kingdom, the knowledge of your plans,
And if your presence won't go with us, we don't want to go from here.
Light the path before us, bright and clear.

I love you, Holy Spirit, my helper, my friend.
I love you, Holy Spirit, you're with me to the end.
I love you, Holy Spirit, my helper, my friend.
I love you, Holy Spirit, you're with me to the end.

Our Father (Avinu)

Our Father in heaven, our heavenly Father,
Let Your name be sanctified.
Oh, let Your kingdom come, let Your will be done,
As it is in heaven, so let it be done on the earth.

Our daily bread, our daily portion, give unto us, this day,
And forgive us, forgive us our sins as we forgive our debtors,
And let us not enter into the hands of great trial,
But deliver us from the evil one,
But deliver us from the evil one.

Yours is the kingdom, Yours is the power,
Yours is the glory forever. Amein.

Avinu, Avinu bashamayim, yitkadesh shim'kha.

(Our Father, our Father in heaven, set-apart is Your name.)

Tavo malkhutkha, ye'aseh retsonkha ke'vashamayim, ken ba'arets.

(May Your kingdom come. May Your will be done as in heaven, so on earth.)

Et lekhem, Et lekhem khukeinu, ten-lanu hayom.

(Bread, our daily bread, give to us, today.)

Uselakh-lanu al khata'einu ke'fi she'anu solkhim lakhotim lanu.

(Forgive us our sins as we forgive those who sin against us.)

Al tevi'einu liday nisayon, ki im khaltseinu min ha'ra,

(And let us not enter into the hands of great trial, but deliver us from the evil one.)

Ki lekha hamamlakha ve'hagevura le'olam. Amein.

(for to You is the kingdom and the power forever. Amein.)

Preserve Me – Psalm 16

Preserve me, O my Elohim, for in you I put my trust.
All the goodness I have, comes from You.
You are my inheritance, my portion and my cup.
The lines have fallen to me in pleasant places.
I will bless YHWH who counsels me.
My heart instructs me in the night.
I will not be moved. I will never be shaken. (Oh!)

In Your presence is fullness of joy, pleasures evermore.
You have made this heart to rejoice.
You will show me the path of life. My soul will never die.
My flesh will rest in hope of new life.
I have set YHWH before me, because He's always at my right hand.
I will not be moved. I will never be shaken.

I have set YHWH before me, because He's always at my right hand.
I will not be moved. I will never be shaken.
I will not be moved. I will never be forsaken.

In Your presence is fullness of joy, pleasures evermore.
That's why my heart is glad, and I will rejoice.
